

SetMain

```
graph LR; SetMain[SetMain] --> Import[CodeSmileEditor.Asset.File.Import];
```

A diagram showing a relationship between two components. On the left, a gray rectangular box contains the text 'SetMain'. A blue arrow points from the right side of this box to the left side of a larger white rectangular box on the right. The white box contains the text 'CodeSmileEditor.Asset.File.Import' on two lines.
